# personal economics

5-6 hours delivery

**Through 'life map living' students are challenged and inspired to consider money management, employment and their own financial futures. Personal Economics brings financial capability to life.**

## How it works

- For students aged 12 to 16 years
- 5 to 6 hours delivery time
- Delivered in school with Young Enterprise business volunteers
- Flexible group sizes and delivery options
- Students work individually and in teams through a series of engaging activities
- Supported by comprehensive programme and support materials

## activities include:

### get a life:

create your own life map

### get earning:

interviewing with style

### get spending:

credit and debt

### get saving:

'spinvestment'

life map living

## inspiring

students to develop enterprising skills, attitudes and behaviours including:

- Communication and presentation skills
- Creative thinking and problem solving
- Confidence and a can-do attitude
- Planning and decision making
- Teamwork and leadership
- Setting goals and time management
- Managing risk and responding to change

## expanding

students' personal financial capability empowering them to explore concepts such as:

- Savings and investments
- Credit and debt
- Financial planning and budgeting
- Personal banking
- Salaries, tax and contributions

## supporting

the curriculum :

- Every Child Matters: Economic Wellbeing and Making a Positive Contribution
- Financial Capability
- Enterprise
- Work Related Learning
- Citizenship
- Personal Learning and Thinking Skills
- Economic Wellbeing
- Functional English and Maths
