# team programme

1-2 years delivery

**An unforgettable experience. Team Programme inspires students with special educational and support needs to set up and run their own real company, guided every step of the way by a Young Enterprise Business Adviser.**

## How it works

- For students aged 15 to 19+ years
- A Young Enterprise Business Adviser will guide and support students throughout the programme at regular company meetings
- All participants have access to online tools and guidance through the new Team Programme website
- Comprehensive support materials for students, Link Teachers and Business Advisers
- Students build up their own personal portfolio of evidence
- Public liability insurance and legal structure provided by Young Enterprise
- Can run flexibly in curriculum or as an after school activity
- Supports a range of curriculum and qualifications requirements

## the team programme year

over the course of the programme students work together to:

raise real finance by selling shares

open and use their own company bank account

carry out market research

develop a product or service

market and promote their product or service

sell to the public
