

**MY MONEY  
WEEK**

# My Money Week: Partner Pack

**15 – 19 June 2026**

**My Money Week is a national activity week that aims to get young people aged 4-18 interested in money matters.**

We provide educators with new resources to inspire learning about money matters and focus on developing essential skills and knowledge for financial capability into adulthood.

**MY MONEY  
WEEK**

This year's theme is:

## **Money in My Community**

Mapping Money and Enterprise in My Local Area.

Students will become explorers as they discover how money moves through their local community. They will explore financial choices, local businesses and jobs, and how public services support their community.

Our My Money Week Map guides the journey, with simple daily activities teachers can run in the classroom or for parents, at home. We provide assembly guides and family-friendly activities to keep the learning going whether at school or at home.

# As a partner how can you get involved?

Run a one-week Money In My Community challenge encouraging your employees and volunteers to support local businesses and enterprises near their homes or workplace.

Post photos, or shout-outs on social media to local business supported by you, your employees and volunteers using the hashtag #MyMoneyWeek.

Use our suggested copy and social media visuals are available on pages 4-6 of this pack.

Repurpose the content on your internal comms platforms throughout the week.

## Example social media posts

We (@ your business/organisation/ institution name here) are so excited to launch #MyMoneyWeek and take part in the Money in My Community challenge.

Students all over the UK are discovering how money moves through their local community. They'll explore their wants and needs, learn about local businesses and jobs, and find out how public services support everyday life.

Talk to #children and #youth during #MyMoneyWeek about how money works in their communities.

Make sure they are included in #FinancialLiteracy conversations to better prepare them for their future.
