

OUR KEY SUPPORTERS

Some of the UK's leading businesses, trusts and foundations make a huge difference to Young Enterprise's work and to the lives of young people.

Our ever growing list of strategic partners support us through:

- Providing direct financial support
- Volunteering as individuals, in teams, or joining our advisory or Trustee boards
- Supporting Young Enterprise Programmes, or providing prizes and awards
- Offering us in kind and pro bono support

OUR KEY SUPPORTERS

We are especially grateful to these supporters who lead the way in empowering young people to learn, to work and to live:
