**Young Money Challenge 2020**

Pupil First Name

JONAH

Pupil Last Name

JAMES

Age

4

Year Group

Reception - Blue class

School Name

Cunningham hill infant school

Tell us about your entry...

Super Everyly can save the planet by making people walk more and drive less. She stops cars, gives people super speed and blows away pollution

(Jonah wanted to call his super hero after his baby sister instead of a super power name)

What small thing can you do to help save the planet and save money?

Not to drive short journeys, walk more

I walk to school.
