

CASH

You count out how much you need to pay and hand it over to the cashier.
If you do not have the exact amount, you give them a little bit more and they will give you some change.
Cannot be used online.
Should be kept in a purse or wallet.

CARD

Cashier enters amount into the machine and you tap or insert your card to pay.
Usually needs a PIN.
Can be used online.
Should be kept in a purse or wallet.

DEVICE

Cashier enters the amount into the machine and you tap your device to pay.
Does not need a PIN.
Can be used online.
